**Concert Permission & Deposit DUE SAT 13<sup>th</sup> JUNE**

Dear Parents,

The Promenade mid year junior concert will be held on Sunday 30<sup>th</sup> August at the Redcliffe Entertainment Centre, Downs St. Redcliffe.

Participation in the concert is not compulsory, however lots and lots of fun for our little ones! We will outline all the relevant information in this newsletter so you are able to make an informed decision on whether you would like to participate this year. Please advise us by SATURDAY 13<sup>th</sup> JUNE if you do or do not wish for your child to participate in the mid-year show via the form and costume payment slip in this newsletter. Students not participating in the junior concert are still able to attend their normal class and will learn the same dance content as the others – they will just not perform it at the concert.

**WHY A MID YEAR CONCERT?**

Instead of participating in our 3 hour end of year production (where the little ones often have a long wait) we are providing the opportunity for our junior students to perform in their own show of a much shorter duration (approx 1 ¼ to 1 ½ hours, no interval). We will display different age groups and various numbers at this concert, from junior students right up to senior level, but on a smaller scale as to condense the time of the show and the waiting time for our smaller students. The concert will be held at Redcliffe Theatre (the same venue as our Senior concert), and will be treated with as much professionalism as our senior concert.

Please be aware that the mid year junior concert will be the only opportunity for Tiny Tot, Creative Movement, Prep and PrePrimary children to perform on stage in a concert for this year. They will not be participating at the end of year concert in November with the rest of the studio.

**HOW MANY SHOWS DO STUDENTS PARTICIPATE IN?**

Tiny Tots, Creative Movement, Prep and PrePrimary students will be split into casts and will be performing in ONE show only. The concert total running time will be approximately 1 ¼ to 1 ½ hours long, with no interval.

## **EXTRA REHEARSALS & COMMITMENT LEVEL**

Sunday 23<sup>rd</sup> August: All participating students will be required to attend this dress rehearsal and photo shoot to rehearse in their costume and to ensure all students have costumes that fit correctly. A professional photographer will be available for group and individual photos on this day.

Saturday 29<sup>th</sup> August: All participating students will need to attend this compulsory theatre rehearsal at Redcliffe to become familiar with the stage and bright lights and to rehearse their item.

Saturday 30<sup>th</sup> August: Junior Show Concert

## **ATTENDENCE**

Please be aware that if you chose to participate in the concert, it is a requirement that you attend all your classes up until the concert to learn the routine. When children are absent, they miss out on the content of the dance for that week, and teachers then need to re teach the work the following week, and further progress is then hindered. You can imagine what this process is like if different children are missing each week. It is also unfair to the group, as patterns / partners/ formations are set according to where people stand, and if missing, this can be confusing for the other children. We aim to make the concert experience fun and exciting, and we want the children to be as prepared and secure as possible for when they hit the big stage!

## **COSTUMES**

Promenade will organise your child's costume, and you will purchase this out right. A flat fee of \$85.00 per performing student, per dance (PAYMENT DUE SATURDAY 13<sup>th</sup> JUNE) will cover costume and costume accessories, plus theatre rehearsal fee. You are required to provide your own stockings and ballet shoes (if required). These can both be purchased from the onsite dance shop. Please make sure you order these early so that we can avoid any backorders and allow for ample delivery time.

## **COSTUME MEASUREMENTS**

All students will be measured during their class time in Term 2. It is imperative that all students are measured in this time, so we can accurately fit their costume. Should you miss out on being measured in your class time, you are required to come into the studio at a mutually arranged time to be measured.

## **TICKETS FOR THE SHOW**

Tickets will be available for purchase in Term 3. Details will be released at a later date. Ticket prices are as follows:

Adults \$35, Children under 12 \$25.
